Dear _____,

Greetings! The University of the Philippines (UP) Manila Colleges of Medicine, Nursing & Pharmacy will be holding the 2nd Patient Safety Congress entitled "Making Patient Safety Work! Translating Theory into Practice" on March 28-29, 2019 at the Philippine International Convention Center, Pasay City. This Congress is expected to gather around 1,500-2,000 delegates composed of physicians from various fields of medicine, nurses, pharmacists, public health sector, hospital administrators and other allied health professionals. We realize that your company deals with products &/or equipment that prevent hospital-acquired complications and help monitor patients during their hospital stay.

In this regard, we would like to request for the support of your company to sponsor a booth in this important congress. Attached is a copy of the sponsorship package & the scientific program.

Thank you for your continued support to UPCM.

Very truly yours,

(signed)
